

# Specialized Livestock Worker/Rabbit Farming

We are a small business providing goods and services in Canada. We also own and operate a 98-acre crop and animal production farm located in the Township of Huron-Kinloss, Ontario.

As part of our crop and animal production farm, we also have recently expanded our commercial rabbit farming business, along some cattle and other animals. We are seeking an individual familiar with "Micro-Livestock" to oversee the increase in production of rabbits, as well as all-round knowledge of farming from operating and maintaining farm machinery/equipment, mastering proper way to feed animals, identify potential threats to the rabbits.

We are currently seeking immediate, permanent, full-time position for a Specialized Livestock Worker/Rabbit Farming who is willing to work outdoors and overtime if necessary.

We are looking for serious inquiries for individuals who wish to have a long-term career in farming, an individual who seeks to grow with our family, crew and in the agriculture industry. To begin as soon as possible.
